Nahuel Soria Parodi

Catamarca, Argentina · linkedin.com/in/nahuelsoriaparodi · +54 9 383 4523702 · nahuelsoriap@gmail.com

FullStack Developer with over 4 years of experience designing and building scalable web applications, administrative platforms, and real-time systems. Specialized in modern frontend development using **React, TypeScript, Next.js, Astro, Svelte and Tailwind CSS**, with a strong focus on performance, accessibility, and user experience. Experienced in building robust backend services with **Laravel, Node.js, Express, REST APIs, and WebSockets**, as well as implementing **CI/CD pipelines**, automated testing, and process automation.
Proven ability to translate business requirements into clean, maintainable, and high-performance solutions. Strong background in dashboards, data visualization, real-time applications, and internal tools. Comfortable working in agile environments, collaborating with cross-functional teams, and delivering production-ready systems with measurable impact.

PROFESSIONAL EXPERIENCE

Municipality of Catamarca Capital — **Catamarca, Argentina**
